BODEGAS TORO ALBALÁ

D.O. Montilla-Moriles — Aguilar de la Frontera

THE WINERY

Founded in 1844, occupying Aguilar de la Frontera's former power station in 1922. In 1970 Toro Albalá was the first Montilla producer to commercialize bottled dessert Pedro Ximénez and remains the world's only specialist in 100% Vintage PX. Impeccable and authentic Fino, Amontillado and Oloroso containing only the natural alcohol from fermentation are produced by the classic solera method.
