THE WINERY

Estate founded in 1768 by Don Jaime Feixes and acquired from Feixes descendants by the Huguet family in the late-19th century. Unchanged in boundary since its original founding, Can Feixes is over 400 acres of mountainside terrain, the highest vineyard estate in the region at over 1400 feet.

THE WINE

70% Tempranillo and 30% Merlot from selected fruit-forward lots, aged six months in used French and American oak. Juicy yet mineral with hints of tobacco, and a lingering fresh plum and cherry finish.
